- not accompanied by required documentation.

The Administration reserves the right to check the declarations contained in the applications. All the information self-certified by the winner candidates are subject to controls, also spot-checks, to verify their veracity.

#### ***Art. 5 - Modalities of selection***

The Committee consists of the training Managers of the Project ENPI "S&T MED" and it is integrated by the Project Manager. The meetings may also be held through the "conference call" mode.

Before proceeding to the selection, in order to supervise on site the quality of delivery of the modules ensuring an appropriate level, the training Managers will express their preferences about the modules that they will take on their own. For these modules will be not made an assessment of further applications.

For the remaining modules, the selection will be based on a comparative assessment of the curricula, the detailed program of the teaching modules for which the application is made and the submitted qualifications, as well as the documentation produced by each candidate. The Committee will draft a ranking on the basis of the scores given to qualifications and professional experiences and it will identify the winner candidate, giving priority to the internal professors of the University.

The awarding of the nomination will be approved by measure of the Rector of the University for Foreigners "Dante Alighieri" of Reggio Calabria .

#### ***Art. 6 – Awarding of the nomination***

The nominations will be awarded through a measure of internal allocation, in case of awarding to internal staff of the University for Foreigners "Dante Alighieri" of Reggio Calabria. The nominations will be awarded through a stipulation of a private contract, in case of awarding to external staff of the University system.

Before the stipulation of the contract, the employees of Public Institutions shall produce the authorization of their Institution to undertake the role, in compliance with the current legislation.

The assignment of the nomination does not open any rights in order to access to university roles.

The beginning of the courses before the conclusion of the contract is not permitted.

#### ***Art. 7 – Remuneration***

The hourly remuneration for the nomination, gross of personal income tax (Irpef), VAT if due, and social security contributions compulsorily paid by the customer, it's neither subject to revaluation nor to indexation.

The remuneration is calculated on the assigned hours basis; the hours not made or carried out in excess will not be paid.

The contract remuneration will be paid at the end of the activities in one solution, upon presentation of a report of the *Project Manager* containing the description of the activities for the University for Foreigners "Dante Alighieri" of Reggio Calabria, the regular execution of the assigned tasks and, if in case, the activity log.

**Art. 8 – Revocation of the nomination**

The nomination is revoked by order of the Rector of the University for Foreigners “Dante Alighieri” of Reggio Calabria in case of:

- unjustified, failed or delayed start of activity;
- unjustified suspension of the activity for a period longer than three days. Only the delays or the interruptions due to serious reasons or due to force majeure duly proved, can be justified;
- incompatibility or conflict of interest;
- serious breach of own duties;
- deactivation of teaching due to justified needs of the teaching structure.

**Art. 9 – Treatment of personal data**

Pursuant to art. 13 of the Legislative Decree n. 196 of 30.6.2003, the personal data submitted by candidates will be collected by University and used only for the purposes of the public selection procedure.

**Art. 10 – Person in charge of the procedure**
